Nuesoft Technologies Announces Fall 2009 Grant Winners

ATLANTA - Nuesoft Technologies Inc. today announced the fall 2009 winners of its College Health Scholarship Program. Four college and university health centers each received an in-kind donation of up to \$5,000 of [Nuesoft Xpress™ health center management software](#).

The fall 2009 grant recipients are: Eastern Kentucky University, Fort Lewis College, Northwestern Michigan College and Spelman College.

The Nuesoft Xpress software application enables college health professionals to electronically manage the administrative and clinical functions related to running a college health or counseling center.

The scholarships will assist schools that would not normally be able to automate their operations. All applications were reviewed by a selection committee comprised of college health professionals.

For more information, visit the Nuesoft Xpress Web site at www.nuesoftxpress.com.
